Leslie Segovia

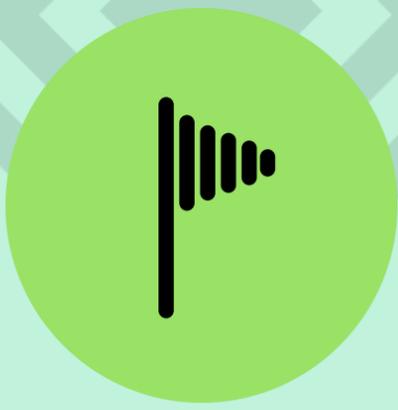

AVID Supporter of the Month

Every month, the AVID students nominate and vote on teachers who support them and the AVID way. Segovia was nominated multiple times and they had plenty to say about her... "A very good supporter of AVID because she also helps us get ready for college. She is amazing! She lets you do AVID strategies without any complaint, while other teachers have their own way of doing things and don't let you do AVID strategies. Segovia is so sweet, a really cool teacher, fun, respectful and so easy to learn from! She is always making Biology so much fun! Segovia wants us to be able to improve our grade in any way. Thank you, Ms. Segovia, for making a difference in our students!" Segovia is pictured with AVID Vice President Izora Kolic and President Reem Ramadan.

Next Thursday, Oct. 26th all AVID students will be participating in team-building activities on campus. Please **release only students wearing the gray Martin AVID t-shirt at the following times:**
Freshmen & Seniors @ 8:00am (return 10:00am).
Juniors & Sophomores @ 10:00am (return 12:00pm).
We apologize for the interruption to instruction. Students are responsible for any missed work.

WAYS YOU CAN HELP *get students college-ready*

DECORATE

Help students **SEE COLLEGE.**

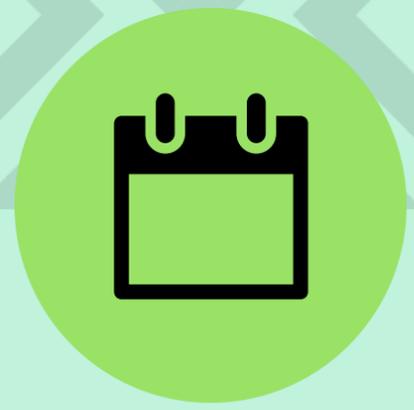

Set the mood of your classroom. Display your alma mater, WICOR strategies, SAT/ACT testing dates, senior acceptances, college dreams, etc. Students should see constant reminders that college can be in their future on a daily basis.

CONVERSATE

Help students **TALK COLLEGE.**

Talk about the future! Students should be thinking about what's beyond high school and what it may take to get there. If you want something related to your content, have a discussion about majors and careers connected to that field of study.

WICORIZE

Help students **DO COLLEGE.**

Once students make it to a college classroom, they need the skills to be successful and that is what WICOR strategies are for! C-Notes, Socratic Seminars, time/project management, marking the text, etc. Help them practice now so it will be second nature to them later.

Having fun on the annual AVID Senior college field trip! Hanging out with the Texas State University Bobcat.

Check out Ogeto's room for a good example of letting students **SEE COLLEGE!**
